

## Dress Code - Townsville Golf Club

***DRESS** - The Townsville Golf Club Inc. has, over a long period of time, attempted to maintain a progressive and modern approach with respect to Dress Standards at the Club. All members and visitors to wear golf appropriate clothing and adopt sun-safe practices whilst utilising TGC facilities. In the clubhouse we wish for our members and visitors to enjoy our hospitality facilities in a relaxed manner and therefore we have a “neat casual” dress code. No metal spikes, no torn attire, or offensive logos on clothing.*
